

## **Online application for membership**

no need of filling application form physically - just fill the details in the website and upload your certificates, enter the valid phone numbers of two existing apos members for proposal and seconding, the application will be forwarded to the apos secretary office, after checking the details, you will be informed to pay the membership fees.

## **download guidelines and other information posted in apos website**

### **Features available for members only**

#### **Find your colleague**

this will be visible only for apos members after logging in with their user name and password. Through this module one can find the phone number, address and other details of other APOS members (only of those who have filled their profiles)

#### **Post a Job**

visible only to APOS members after logging in with their username and password. Any APOS member who wants to post a requirement of an ophthalmologist can post their requirement, so that it will be visible for all fellow apos members.

#### **Post Fellowship Programmes**

APOS members who are willing to train young ophthalmologist by providing training programmes (short term phaco or other programmes) can show their programmes in this module

#### **Find a Job**

This again will be visible only to APOS members after logging with their username and password. All the pgs and other ophthalmologist who wish to join as junior doctor or otherwise in a established hospital can post their details in this module, which will be visible only to apos members

#### **Fellowship Programmes**

All the fellowship programmes posted by members will be visible in this.
